

**BOARD OF WATER COMMISSIONERS**  
**SPECIAL & RATE HEARING MEETING**  
**MINUTES**  
**APPROVED**

**DATE:** June 28, 2019

**MEETING CAME TO ORDER:** 7:30

**MEMBERS PRESENT:** Philip G. Knowles, Chairman  
Richard L. Stone, Clerk  
Mark Gallagher, Member

**STAFF PRESENT:** Gregory R. Krom, Superintendent  
Anne-Marie Yeo, Administrative Assistant

**GUEST:** Richard Gandt

**RATE HEARING**

**DISCUSSION**

The members of the Board reviewed the proposed FY 20 rate model draft. The increases are driven by the cost of all the work that is being done to improve the quality of our water. The building of the Water Treatment Plant will give us that result. Many residents have already noticed the difference. The rate increase will be a 22% increase.

**VOTE**

After careful consideration, the motion was made and accepted to approve the rate schedule as presented in the draft. The rate and fee schedule will go into effect for water used as of July 1, 2019.

**Skeffington Well**

Greg informed the BOWC that a Candlewood Drive resident has requested that the Town close up and cover up an abandoned well near their property. The land on which the well is located was taken by the Town several years ago. The issue will be discussed at the Selectmen's meeting on July 8, 2019.

The BOWC also reviewed and discussed the job descriptions and the licenses that are now required for the operation of the water treatment plant.

The meeting closed at 8:16 a.m.

Respectfully submitted,  
Anne-Marie Yeo  
Administrative Assistant
